“ *Nana, I realize now as an adult all the time I took for granted with you. I am glad I was able to share more memorable moments as an adult and hang with you. I miss my 92-year-old best friend and wish every day that you were still here to share all of the good things that are happening to me and your great and great great grands. I know you watch over us, we love you and miss you dearly. - love always*

“ *My Nana! So thankful to be blessed enough to have her in my life. I know she would've loved to have met her great great grandchildren. It's been almost 11 years, but I think about the times I shared with her: the conversations (both fun and serious) that we would have, and her matter of fact sense of humor.*

*Love you Nana,*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
