

## Nykali M. Stevens

March 23, 2012 - September 20, 2018

King Nykali McKai Stevens is an exceptional unique one of a kind individual who unfortunately left us before his time. He will forever remain in our hearts as the angelic champion he was. He smiles upon us now as we sit here honoring his life and praising the memories we have.

King Nykali is the type of kid that you knew as "before his time" and a very handsome young man. His intelligence was just as radiant, and it instantly caught your attention when he spoke. He had a keen understanding for what was going on around him and could feel someone's energy. He knew if you were mad or sad and he would come and hug you to try to cheer you up.

Nykali the helper. All he ever wanted to do was help wash clothes, cook, and clean. It didn't matter he was right there to give some assistance. He had so much heart and love in him he was always happy. Nothing scared him well except heights... but he could walk up to animals four times his size without blinking. Nykali knew nature wasn't scary. He walked around with no shirt or shoes like he'd rather sleep outside.

Yes, he was a video game hawk, but if he could be outside all day playing riding his bike and feeding his favorite horse trigger he would take that option in a second.

Nykali knew he was a king. But he still embraced the fact he was a kid. King Nykali was before his time. It was almost like he was here before. He was an angel. God sent him here to touch as many hearts as he could, and he achieved that goal and then some. So, at this time we need to rejoice the going home of one of God's angels.

King Nykali McKai Stevens

May His Spirit Rest In Paradise

“ *There are not enough words to describe the pain that is experienced from the loss of a child. Nykali when you left us to be with the Lord You took pieces of our hearts with You. You were a True example of what being "Christ" like means. Your spirit was larger than life itself and You will be truly missed!!! Your smile was my guiding light during dark times, and your laughter a reason to forget my troubles. You taught me to push past my pain, and to be a "Better Person." I enjoyed to see You dance as if no one were watching, and your unconditional Love was "Priceless." I Thank God for blessing me with a Loving and Kind Grandson like You. My Faith is allowing me to hold on, and stand on God's Word and Promises more than ever!!! Please watch over Mommy and Daddy now that you are away, to give them your strength and love to help them make it EVERY day. I know that you are safe with The Lord, pain free, laughing, smiling and dancing with Legions of angels watching. Thank You for being a part of my life and in my heart where You will live on Forever!!! Until we meet again "Nyk." I know you look Beautiful with your "NEW WINGS." LOVE ALWAYS.*

“ *To the Stevens family, I can imagine how heartbroken you all must be on losing your precious little Nykali. I send my heartfelt sympathy to you all. She was such a beautiful little girl. When Jesus was on earth he brought many people back to life. There is a touching account at Mark 5 verses 38-42 when Jesus resurrected the 12-year daughter of an army officer. Can you imagine the joy the family had at seeing their daughter alive again? One day Jesus promises that you can see your sweet little daughter again. John 11:25. May you find strength in God's wonderful promises.*
