“ I send your family my sincere condolences. Your loved one certainly did live a long life, but no matter how long they live it doesn't ease the pain when they leave us. Noone wants to lose their loved ones in death, and this was never a part of God's purpose for us. When we look at the life span of people in bible times' such as Methusaleh who lived to be 969 years old, we can see that Jehovah's purpose was for people to live forever. This is why Jehovah sent his dear Son Jesus to us, so that through that ransom price he paid all who exercise faith in him might not be destroyed but have everlasting life. John 3,16. One day soon Odell will live again, because all who are in the memorial tombs will hear Jesus's voice and come out." John 5"28,29. May you find much comfort in the hope of the ressurection.##imported-begin##R Johnson##imported-end##

“ I am very sorry to learn about the death of Odell. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span was 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##
