“ I wish you all deepest sympathy, and strength to get thru this pain, my gosh. I only remember Omar as a child. We would play together down the bottom of West End. Haven't seen him in decades, but I just seen a crime stoppers commercial and instantly, the memory came back. I've always admired his mother Sheila bc she was an awesome hair stylist, and business woman. She don't know this, but she always inspired me. I am so sorry for your loss. And I hate that our ppls continue to hurt each other, when we are not our enemies. Its bigger than us. But yet, we don't see it. My condolences.
