“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ My sincere condolences Johnson family and friends. I know losing a loved one in death is a pain like no other. And, while time has a way of making it more bearable, we can only gain true peace of mind and comfort from Almighty God. 2 Timothy 3:1-5 tells us we are living in critical times hard to deal with. That means we are going to experience hardships like never before and that includes losing ones close to us in death. We do have hope though that rest in the ransom sacrifice of Jesus Christ. Through him God has made provision that people not only have the opportunity to live forever in a paradise right here on earth, but those who have fallen asleep in death will be resurrected and enjoy the same benefits. If you would like to know more about the ransom or the resurrection hope please talk with Jehovahs Witnesses or visit our website jw.org and find out how to attend the annual observance of the Memorial of Jesus Christ death.
