“ *Ms. Eddy I will truly miss your presence when coming to Salon Plaza for my hair appointments you were always so kind in asking about my grandmother and mom. Who would have ever thought that my grandmother and you would have left this earth within two months of each other. God needed two more angels in his garden you will forever be missed. RIP until we meet again. To the family so sorry for your loss, she was your angel here on earth and now she's your angel in heaven. God will be your comfort, for he makes no mistakes.*

“ *To the Bagby Family,*

*Oreatha was one the reasons that I felt so at home at Gravel Hill. She always made it a point to give us a hug and a smile. She would tell us that she missed us if we hadn't attended one Sunday. Her spirit of loving kindness we will never forget.*

*We extend to you our deepest sympathies.*
