“ Osborne A. Payne

“ My family met Osborne Payne overseas in Liberia, I believe, in about 1963 when my father worked for the U.S. State Dept. Education division. Years later after I was born my father Dan Cox introduced me to Osborne and his family when we relocated to the Washington D.C. area. His daughters Fainbridge and Serita and their mother became good friends of ours for many years until we moved out of the area. The Osborne's had us over to dinner at their house on several occasions and were the best people you would ever want to meet. I was honored to know Osborne and his family and I know my father held him in great esteem. What an amazing man.

“ Osborne & Faynbridge... mmm....mmm...mmmm. My boss at TAP and his daughter. sorry to finally learn of his passing, it was a chaotic year helping run America's largest Headstart program, but Osborne got the job done, and added, job corps and other educational programs..

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 4yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!
