“ *My sincere condolences goes out to the Family. I joined the DC Fire and EMS department 30 years ago and Oscar was my first partner. He was my mentor and was like a father to me. He gave me away at my first wedding, that is how much respect I had form him. I loved him very much. He took exceptionally good care of me because he knew that I was so young and naive. I am deeply saddened that I just found out today and was not there to pay my respects. May God continue to bless the family and I will keep you all in my prayers!*
