“ Please accept my heartfelt condolences, and may your hearts be filled with hope as you experience God’s generous hand in the days to come. You can take comfort in knowing that there will be a resurrection as Jesus promised.

“I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life” John 11:25

Although your hearts are very heavy, never give up on hope, you have so many people here to support you.

“ *To the Lewis Family
Earth has No sorrow that HEAVEN can not heal. God will wipe all tears away, weeping may endure for a night but joy will come in the morning. Know that you are in our prayers and thoughts daily.*

To Bam

I can not explain the pain that i felted when I heard about your passing, to me your life was shortened but God holds the key to life and death for this is a journey we all must take and God knows ours destiny. I will never forget the days that I had the privilege to spend with you. You truly had a heart to love and forgive , you were like a Son to me. Take your Rest Son until we meet again.

“ Goahh Bam..... I still don't even believe this! Everytime me, you & Sha linked and sometimes with Erlecha all together we would be turnt. The first time I seen you was when we kept driving past you back and fourth, while I held baby OJ up so you could see him. It's all crazy though cause we would stay talking about you going to be coming up and you'd stay showing me how you was ready to be on a mean come up! You was always about yours, getting that paper, and your family... Crazy how they had to take you so soon it's unreal cause you was too cool G! For right now we just got to pray for God to forgive all yours sins, and have a spot for you to build your kingdom up there. LongLiveSkeezo you'll forever live through everyone who loves you, especially through Cedes and OJ 🙏🖤❤️
