“ *To the family, my deepest condolences. May you cherish her memory. The Bible has words of comfort. At 1 Corinthians 15:26 states, "As the last enemy, death is to be brought to nothing." God has promised to do away with death and the pain that it causes. May these words be of comfort to the family.##imported-begin##Sean##imported-end##*

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ My entire family extends condolences to you, John and the children. Our family circle is getting smaller. Growing up I always looked up to Quida. Being cousins I spend many nights at her house and she at mine (we both had canopy beds). As we got older we did not spend as much time together but we always knew that we were family. I will miss her but her spirit lingers on. May God richly bless you and the family.##imported-begin##Donna Holman El-Amin##imported-end##
