*Pamela, was a true, 💕 Precious friend of mind. I'm (Missing) Pam, I wish that she was still here with (Me) on this earth. She was a real (FRIEND) that stood (OUT) among all of the other (Friends) that I had because she was (Real) and that is hard to find in a person. She was not (FAKE) and she used to tell me how her (Mother) complimented me, how her (Mother) really like to me. I'm looking for her (💕 Beautiful) daughter now. I need (You) to contact me please as soon as possible. Please call me. If you cannot reach me leave your name and phone number on my (Voicemail) so that I can return your call. (434) 569-3966. Waiting on your call. Pam, will always be (Miss) and I will never find another (TRUE) FRIEND ever again like (Pam).*

“ *My name is Angela McCoy-Boles. I worked with Pam for many years at Medi. Pam was a true prayer warrior and women of God. Pam attended my wedding back in 2014. My fondest memory is of her trying to catch my bouquet. On October 31st, the day I found out about her passing, I had just finished watching my wedding video and was laughing at her because I faked them all out! My condolences to the family. May God comfort you all during this time.*

*Pam, and I was (BEST FRIENDS). I just called her phone number and it was (Disconnected). I was (Disappointed). I put in (Pamela Yvonne Clayton) and when the word (Obituary) showed up, I wasn't any good. Pam, was my ❤️ (Heart). We were crazy about one another in (School) and we lived right behind one another back in the (Eighties). Pam, use to tell me (How much her Mother) liked me because I was being myself and I was a pretty young lady. I liked (Elaine) myself. She was a sweet woman. The last time I had a (Conversation) with Pam, it was last year in the (Summer) and she (Shared) a lot of things with me that was going on with her that (Broke) my ❤️ (Heart). I told her that I was coming to get her and bring her down here with me, in (Danville, Virginia) three hours away from (Richmond, Virginia) and she stated that she was ready to go. I will never forget our (Conversation) due to the fact she was highly (Upset). I was on my way to come and get her, now my (BEST FRIEND) is (GONE). I'm 😱 (Shock). Pam, use to talk so highly of her (Daughter). She 💕🥺 loved her (Daughter) so much. I remember her (Children) when they were (Tiny). I'm just sitting here at home shaking my head in (Unbelief). I have a lot of good (Memories) about my friend. We use to (Laugh) so much and so (Hard) our (Stomach) will hurt so bad and (Tears) will run down our (Cheek). Her and I was always together laughing and having some good times back then. My Friend. My Friend, is gone. This is going to take me a while to get over this. Do anyone know that if it's possible that I can get a (Video) of my (BEST FRIEND) FUNERAL. And can her (Daughter) contact me and show me where her (Grave) is because i'm coming to (Richmond) anyway to get her, but she's gone now. I want to go to her (Cemetery) and put 🌸🌸 (Flowers) on her (Grave). I want to see her (😊❤️ beautiful, nice) daughter now since she is (Grown). Oh, how much (Pam) loved her (Daughter. Please give (Pamela) daughter my (Cellphone) number. (434) 569-3966. I'm coming to (Richmond, Virginia) on (February 4th) that (Tuesday) at 9:00 a.m. Thank you. 😭 SAD.*
