“ Please accept my condolences. In this sad time, you can find comfort in the Christian hope of the resurrection. At Isaiah 25:8 it promises that "He will actually swallow up death forever and the Sovereign Lord Jehovah will certainly wipe the tears from their faces." Soon we will see the benefits of the ransom sacrifice of Jehovah's Son, Christ Jesus--death will be no more.##imported-begin##A. Robinson##imported-end##

“ Dear family, please find comfort in the hope of the resurrection mentioned in the bible at Acts 24:15 which says, "And I have hope towards God that there is going to be a resurrection of the both the righteous and the unrighteous. Daniel 12:2 also assures us that there will be many of those asleep in the ground of dust who will wake up. May you find comfort in God's word, and in his promises to bring the dead back to life, and may your cherished memories of Patricia bring comfort to your hearts.##imported-begin##R Johnson##imported-end##

“ Thank you Dawn for contacting me regarding Patricia's passing. I had been thinking about her. We did keep in contact a few times a year. My prayers go out to your family, especially her son's. May God bless all of you with comfort and peace during this time. The same day you called me, Terry Johnson called, saying she had been thinking of Patricia and Googled her name and retrieved this web-site. She then called me right before I was going to inform her. She will try to contact Camille. God bless, Tina##imported-begin##Athena Lewis-Gordon##imported-end##

“ To the family and friends: Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. God’s original purpose was not for us to ever die. The thought of death is heartwrenching to us and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to death. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Just imagine our loved one coming back to life in the most beautiful earthly paradise you could ever imagine! Wouldn’t it be wonderful to greet them, tears of joy running down your faces and knowing that you will never lose them in death again. Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at (Rev. 21: 3-5) of a new earth where there will be no more death. These promises have brought comfort to millions. I wish the same for you.##imported-begin##Senita Swann##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Patricia, I sent the following message to our sister and your soul mate, Tina, soon after you crossed over, and now I'd like to share it with you. It read as follows. "Tina, Our very dear sister, Patricia, went to sleep on this side one Monday afternoon in April and passed on to eternal rest with the Father. She went away much too soon. I prefer to think that Patricia suffered no pain in the transition, but the depth of emotions left for us to bear cuts awfully deep. I've known Patricia for about 20 years now - having met her through you - and for most of that time, you and Tanya and I have called her "Sissy", just as we do each other. The four of us and our children have had some really good times together over the years and have made some fantastic memories - those will never go away. We'll always have Myrtle Beach (smile !). Tina, I genuinely hope you can find solace within the family as we all deal with the physical loss of our Sissy. And, we do know how hard this is for you especially, but like always, we're here, we're Family. And Tina, you also know that I truly believe we will all be together again - in time. And even though you can't take Sissy in your arms anymore - as you have so many times over the years - we can all hold onto her in our hearts and we can still talk to her whenever we need to. She was "Your Girl", so whenever you need her, simply look toward the Heavens " Sissy, Peaches###imported-begin##Sara T. Colbert-Woodland###imported-end##
