“ *Pat i will always miss your smiling face. I will always cherish the last day I saw you and walked you to your car. June 12, 2003 at 5:30 p.m. We had a lot of laughs that day. You were so spirited even as you talked of moving so slowly. We had a lot of fun days when I was your Supervisor and you worked so hard . You used to laugh at me for being so hyper.I am so blessed to have kept in contact with you all the time you work at the Post Office. It seemed as if you would just be okay. You was so brave so strong in light of your illness. Have a safe journey and you will forever remain one of the most spirited, fun, compassionate people that I ever met.##imported-begin##jean gentry##imported-end##*

“ Sorry to hear of the loss of your loved one. Our family finds much comfort in the Bible. One such passage is Hosea 13:14- "From the hand of Sheol I shall redeem them; from death I shall recover them. Where are your stings, O Death? Where is your destructiveness, O Sheol? This assures us that in God's new world our loved have the hope of being resurrected and without the sickness and other problems they experienced. We hope this proves very comforting to you.##imported-begin##Hill Family##imported-end##
