VERY SPECIAL LADY To a very special lady in my life, the woman that gave birth to me. Mommy where do I begin? I just have so much to say. Thank you for giving me life. You were a very strong black woman. Thank you for always being there for me when I needed you. Through it all, you showed me how to love and respect women. I could never understand why you had to go so soon, but I do know that our God is an awesome God. I know now that you are in a better place. Momma, you are my pride and joy, you meant the world to me. I will forever miss you. Lovingly submitted by Your Son, Eddie

“ *Where do I begin? First, I hope that you are finally resting in peace! You lived a good life and you shared that life with so many people. It's hard to write this without shedding tears (as I'm doing now). You've been gone for almost 5 years now. And your death still hurts my soul. You were more than an aunt, you were like a mother to me. You were my best friend. You understood what I was going through when no one else cared. You showed and gave me unconditional love. Even when I came out, you continued to show love and support when my parents and siblings shyed away from me for being who I'm meant to be. I miss you so much. I will always cherish your memories and love. I know you are looking down on me. And I may not be perfect or where I want to be in life at the moment, but I am a work in progress. I love you forever.*

“ I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 5yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!

“ Our family would like to express condolences to The James Family. May you find comfort from Jehovah God's Word The Bible where He assures us that our loved ones have a hope of a resurrection to a restored beautiful paradise earth. He even promises us at 1 Corinthians 15:26 that "the last enemy death will be brought to nothing". Our prayers are with your family.
