“ *Pastor Paul was a model many of us looked up to over the decades even as we looked up to Christ as our ultimate model. He delivered some powerful teachings and preachings over the years that just stick with you wherever you go. I guess his transition at this time is tough to bear but we all can draw comfort in knowing that death in this life, however inevitable before Christ's return, is only a gateway to a better phase. Pastor Paul is blessed to have made this journey now although too soon by our measure of time but of course this is one of the few things in life we mortals have no control over - however it was a great way to exit this sinful world, being active in His service unto the end!*

My prayers go to the family for comfort and strength now and always and God to grant you the grace to stand proud of the many sweet memories of this beloved man of God.

Pastor Paul Akapo, my heart felt condolence to the family you've left behind. I can't believe that I am reading about you. I am hoping and praying that its true that its internet lies. Your voice was loaded with the holy spirit I remembered that when word of God got released from your mouth, it's felt as though miracles were dropping down from heaven. I have faith that what I am reading about your death is 100% fault IJN
