

## Paul Douglas Law

September 12, 1959 - May 23, 2006

PAUL DOUGLAS LAW, beloved son of the late Gwendolyn and Edward Dorsey, was born September 12, 1959 in Mullens, West Virginia. On May 23, 2006, the Lord in His infinite wisdom, called His angel home to rest. Paul received his education in the Baltimore City Public School System, graduating from Patterson High School in June of 1977. He attended Morgan State University before entering the United States Air Force in October of 1979. While in the Air Force, Paul worked as a Personnel Specialist and an Aircraft Systems Mechanic and was awarded several medals and ribbons before being honorably discharged in 1985. After his military career, Paul worked for the Maryland Department of Corrections. "Duckie" as he was affectionately called by his sister, or "Shotgun Willie" as he was often called by his daughter Antoinette, was a loving son, brother and father who always greeted you with his charming personality and a beautiful smile that truly touched your soul. He loved life, and lived each day to the fullest. He touched everyone he came in contact with, and developed lasting relationships with his many good friends. Regardless of the time or place, he always touched the hearts of those around him. Being the overprotective big brother, he LOVED to harass his sister and her friends, who were all his "little sisters". He was preceded in death by his brother, Julian Dorsey; three aunts, Louise Moore, Joan Finney, and Julia Law; and two uncles, Jack Law and Aaron Law Jr. Paul leaves to cherish his memory: his sister, Julia Dorsey; his daughter, Antoinette Law; his brother, Michael Law; his granddaughter, Avionna Law; his niece, Mychelle Law; a

godson, Nigee Queen; a godsister, LaShonda Maddox-Tutt; his uncle, Ernest Law; his aunts, Juanita Ramey and Beulah Scales; his best friends, Terita Sturtevant and David Ellis; and a host of cousins, other relatives and friends.

“ To the family, my deepest condolences. May you cherish his memory. The bible at John 5:28,29 speaks about a time in the near future when those who are in God's memory who have fallen asleep in death will rise again. May the family draw comfort from these words.##imported-begin##Albert Washington##imported-end##

“ Brother, You have only been gone away for a short time, yet to me it feels like an eternity. We may have had our share of arguments as most brothers and sisters do, but no one knew me like you. You, Julian, Mommy and Daddy are the sweetest angels God could have ever given me. I have no idea how I'm going to go on without you here, because with the help of God, you kept me sane for the last three years. I dreamt of you last night, and you were smiling with that beautiful smile with tears streaming down your face. I didn't want you to go because I love you so much, but now I know that you are in no more pain, and your body is at rest. From the moment I was born, you always knew I would be the Bonnie to your Clyde, and that's exactly the way we were until the day you died. Although many don't realize it, we were aware of the many negative things that were said about you over the years, and a lot of those same people will soon be seeing you through a veil of tears. It doesn't matter now because God saw your struggle and He knows best. Relax now my baby, and take your well deserved rest. I Love You Duckie, your baby sister, Margaret##imported-begin##Julia T. “ To my friend; at this time in your life you have experienced so many hard-ships. God doesn't put no more on you than you can bear! I believe you are a strong woman and Paul is resting with your parents. I know I can't put myself in your shoes, but as your friend I'm here for you through these tough and difficult times. Always remember, when you see that star shining all alone in the sky, that's them, watching out for their little girl and little sister!! May your heart and mind find some peace and comfort. I'll miss you Paulie.##imported-begin##Tammie Williams##imported-end##

“ Lia, Hey baby girl! We're sorry that we can't get back home in time to be with you at Duckie's funeral, and we are all saddened to hear of his passing. We all loved him, because he was all of our big brother, and the world just won't be the same without him. Bonnie and Clyde may not be together on this Earth, but you will always be together in your heart. Paul was a beautiful person with a beautiful soul, and we will always love him. So you stay strong, and we love you, because First Lady can't function without Ms. Soda, the General! Love Always, Smacki and Grynch##imported-begin##Kym and CyMeria##imported-end##

“ I was in shock when I saw that you left me. I didn't find out until tonight when I looked up Aunt Julia's obituary. My heart sank because a physical part of me is gone. I am renewed spiritually because you are a part of my spirit. It's funny because now I understand who it is that my godson is talking too when he is playing in my house. IT'S YOU DADDY!!!! I will miss you so much and I thank god that you were able to spend time with Avionna before you left but I know that you are with her spiritually. She is in your town right now with her father as we speak. I apologize for not being able to call you like I should have but I love you deeply and I will miss you more than words and I promise to talk to you more now.##imported-begin##Antoinette Law##imported-end##

“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Hey brother, I can't believe it's been 8 months since you have been gone. I've had a lot to deal with, and there are some things that I couldn't. Losing you so suddenly was just too much, and the pressure was too great. But I had to overcome it, and represent my big brother in a way that would make you proud. Nigee and I miss you so much, and it's hard living without you, but I know you're at peace now, and you don't have to deal with those people who chose to create misery in your life. Now that you're gone, those same people now have to deal with that loss. No matter how much we argued, you know I always loved my big brother, and I know you loved me. Rest In Peace Duckie, I Love You. Julia and Nigee###imported-begin##Julia Law- Dorsey###imported-end##

“ Hey Duckie! I miss you so very much, and I still get kind of sad that you're not here. However, I do know that you are in the Powerful Presence of the Lord, and you are resting in peace. I wish you could be here for my wedding. You were supposed to walk me down the aisle since Daddy wasn't here. But I know it will be OK, because I know all of you are watching and you are proud of me and my Husband To Be. I Love You Sweetie! Margaret###imported-begin##Julia Law- Dorsey###imported-end##

“ Please accept my sincere condolences for your loss. I too have lost loved ones in death. Even though we know that death is inevitable, it is still difficult to accept. Death was not something that God intended for us. The thought of death is always distasteful and it always will be because Jehovah God has created within us the keen desire to live forever. We never get used to it. We feel deep down in our hearts that this should not happen because, “Even time indefinite he (God) has put in their heart,” says Ecclesiastes 3:11. One of the wonderful parts of his plan is the hope of the resurrection of dead loved ones. (John 5:25, 28, 29). Please be assured that Jehovah God loves us and wants the best for us. Take comfort in the promise that he has given us at Rev. 21: 3-5 of a new earth where there will be no more death.##imported-begin##Senita Swann##imported-end##

“ Hey Sweetie! 2 years has come so quickly, and I still can't believe you're not here with me, because I miss my big brother. You have a whole new family that you didn't get to meet. You have a niece and nephew, now our niece is getting so big. It's crazy how much I miss you, Duckie. But I know one day we'll meet again, and be with Mommy, Daddy, and Julian. I just wish you could have met your brother in law! I Love You! Margaret##imported-begin##Baby Sis##imported-end##

“ Dear Family, My sincere condolences goes out to you. When someone we love dies we feel lost and stressful. However, Almighty God promise and bible accounts assures us that "all those in their memorial tombs" will be resurrected. Please take the time to read those promises at John 5:28,29 and Revelation 21:3-5 and find a measure of comfort as you continue to cope with the loss of your love one.##imported-begin##V Adams##imported-end##
