“ *Paul was always very good to me. He knew my name, he knew my face, and he always got the door for me when I had my arms full. We used to stand around the guard desk in the evenings and talked Ravens Football or the Birds. I will miss him. He was a friendly fixture here at 2024, and this place is not the same without him. May God rest his soul.##imported-begin##Peter Donnell, JHMI##imported-end##*

“ Paul was a blessing to me and his bright and cheerful disposition always lifted my spirits. I could always count on him to pop the door open when I came through. I also recall many conversations about how my son was doing when I stood at the door of the 2024 Building in the evening waiting for my husband to pick me up. When my son starts to drive in 7 years, I will remember Paul teasing me about the anxiety I would have at that time! May he rest in peace and may we all emulate his spirit of warmth and encouragement as a testament to his legacy.##imported-begin##Dr. Sherita Golden##imported-end##

“ Please accept my condolences for the loss of your dear loved one. 1 Corinthians 15:26 rightly tells us that death is our enemy and it also informs us that death will be destroyed. Also, Acts 24:15 lovingly declares "there is going to be a resurrection". May you receive much comfort and strength from this Bible hope.##imported-begin##Mrs. Sharon Hill##imported-end##

“ I am deeply saddened about the lost of Paul. Though I've only known him for a short time, what nice and courteous person he was. We would often talk about sports and have a good laugh everytime and I mean everytime we saw each other. Just a nice guy, I can see his face right now. Almost as if I've known him for a long time. My personal condolences to you and all your family for your lost.##imported-begin##Kelvin##imported-end##

“ Paul was such a kind and considerate person. He watched out for me when I worked late, always opening the front door as soon as i arrived. He had a warm smile, kind words and a air of concern for all. He knew my son and grandson and allowed my grandson to wait for me under his watch. He was an valued employee and represented his profession well.##imported-begin##Areh O. Howell##imported-end##

“ Hello ! Hickman's! I would like to send my condolences to you all. Paul touch the lives of many people by his kindness and friendliness and being himself. The world in general would be a better place ti live If more people did the same as the bible say at Mt.7:12, Do to others as you would like them to do to you. Good people and bad die at one time or another, however the time is coming when no one will ever die,Isa.25:8. I am so looking forward to that happening in the future. Many all the times shared and enjoyed with Paul help to sustain and support your minds on the journey of life ahead.##imported-begin##lillian Crosby##imported-end##
