“ *It is everywhere on the web on every credit forum, testimonies about this hacker that hacker miraculously fixing credit reports and debts. I must confess it was too good to be true and felt like an orchestrated scam. I thought long and hard because I was in a credit mess, late payments, collections, repossession and I needed a bigger house for my family, a business loan which all was unattainable. I contacted HACK LORD via mail HACKLORD2525@MAIL.RU I hoped testimonies about him was genuine and hell yes it was. I'm a living witness to this genius. I have a FICO score of 770 now from mid 500 with an impeccable report.*
