“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom about 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”— ACTS 24:15. I'm sure you would love to see your dead loved one again in the coming Paradise here on earth! Again so sorry for your loss!!*

Paula was my friend and I am sorry to lose her on this side so soon. The comfort is knowing she is free of illness and resting with Jesus. May God give her daughters and family the strength to carry on.

Dear Ashley & Monica,

There is a lonesomeness after the death of one's mother, but I want you to know that your father is thinking of you and sympathizing with you in this time of your great loss. I will never forget the friendliness and kindness your mother extended to me. She was loved by all who knew her,

*With sympathy,

Paula was a dear, dear friend. She will surely be missed by all who had the opportunity to have her as a part of their life. To her daughters, I know you miss her terribly, but know that she is resting in the beautiful arms of our Lord and Saviour, pain free and singing with the angels. We shall see her again one day.
