*Ms. Palette "mommy" was a very gentle and kind woman. She was hard working and humble. Her mink "Hi Marcy, how you doing?" rings in my hear. This gentle giant of a woman has been a blessing to me.*

*I pray that her legacy of knowing the Lord Jesus as her Saviour spreads to those she love; so that they can experience the source of her strength and calm.*

*Stay Strong in the Lord Veronia, Onica, Floyd, Ayana and all those who mourn.*

*Mom I don't know if you can see this or read this . part of me would like to think you can see it . I don't know . I am having a hard time dealing. I cant really sleep, not really eating or not like myself. I feel distant , I feel like I am far away but yet in the present, I find myself thinking, thinking a lot about things, thinking about everything. I find myself lying awake dreaming with my eyes open , I am struggling dealing with your passing. Your grandson went in your bedroom and said granny I could not attend your funeral because i couldn't bear to see you. the hurt . the pain , the eternal pain . This all happened so quick . I made plans to already come and see you for the entire year and next. When i saw you i told you will be back. I am so sorry .I am sorry . I don't know what to think or . Sometimes I even find it hard to breath, I miss you so much. I love you*
