“ I am one of Jeanette's success stories from UMBC. I came in during a 6 month assignment and stayed for 22 years. She told me to just get your foot in the door. She helped so many people while she worked in the Human Resources Department at UMBC. Jeanette brought the best out of you, especially when she knew you had it in you. It was a pleasure knowing and working with her. May God's comforting power rock you during your time of sorrow. God Bless Denise D. Warren##imported-begin##Denise D. Warren##imported-end##
