As I think of words to say, my heart is too full of emotions. Mrs. Temple has loved me like a daughter for over 40 years and I have loved her as a mom as well. I was blessed to spend time with her last year and it was like we never missed a beat. Her loving spirit is felt every time she says "hello". Her warmth always made you feel at home and once you stepped inside her doorway, you were considered family. I know her spirit will continue to live on in her children and extended family. My prayers are that you will eventually smile again knowing that you were blessed to have her in your life. I love you ma. Rest in peace.
