Penny Vanessa Johnson, 64 years of age, beloved daughter, sister, aunt and friend passed away on Monday January 3rd, 2022. Penny and I had just reconnected about one year ago on Facebook and we have been in touch ever since. The word to describe her is FUNNY. Penny always made me laugh and also had something positive or truthful to say. I'm really going to miss my dear friend as we used to communicate at least twice weekly. I would always keep her laughing with funny Tik Tok videos on a regular basis to keep her spirits lifted while she was recouporating. The last time we spoke was 2 days before she went to Sleep Peacefully, she seemed so happy, actually she was saying her goodbyes as she was wishing me well. My Sincere Condolences to her Family and Friends. My heart is broken 💔 in two. Rest Easy Penny, Rest Easy My Friend.

“ Penny was a close friend of mine. I had the privilege to be her hair stylist for 8 years before my family relocated. We kept in touch through Facebook and video calls but I still miss our regular salon appointments were we would laugh together so hard we had tears in our eyes and our sides hurt. She taught me so much and showered me and my family so much love and kindness. She would call me "baby doll". I will always remember her fondly. I miss her terribly but I am comforted knowing she's in heaven now watching over us.

“ Every time I was around Penny she always made me laugh and had words of wisdom to make me stand up straight and say what ever I'm going through it's going to be alright 😊
