

Perry Alexander

October 13, 1953 - May 29, 2022

PERRY “DEAN RAT” ALEXANDER, beloved son to Audrey Mae and Perry Alexander, whom preceded him in death, was born October 13, 1953 in Baltimore, Maryland.

Perry was a very determined young man who always dreamed of going to Paris. People always told him he was too short for sports but he proved them all wrong. Before graduating as a Dunbar Poet, Perry showed everyone how his short stature carried speed, endurance and resilience. From neighborhood football to high school, Perry sure left a name in sports for himself.

Perry always exuded greatness. Perry knew just how and what to make a person’s day/life breezy. Every career he made sure to deal with the public. His super power was customer service as he EXCELLED in his endeavors.

Perry attended UMBC, where he worked as a student before being promoted to UMBC’s Library Night Supervisor for 30 years where he retired. He received two Master’s degrees while attending UMBC. Perry also worked for Fantasy Cannon lighting he loved every minute of creating art with lights as performers from all over performed. Perry had many jobs including S.A.F.E. Management Security for the Baltimore Ravens, which despite him being a die hard Dallas Cowboys fan, would be his last place of employment. Perry eventually fulfilled his dream of going to Paris. After graduating he worked at his Alma Mata.

Perry had so many friends and “partners in crime”. There isn’t enough space to write all of the great people who shared this life with him. The list is oh so long. So to each and everyone of you who love and shared his life with him,

from my family to yours, Thank you!! We appreciate you for the many walks you have endure with our guy. From co-workers, IOTA brothers, bestfriends, brother from another Harley, Thank you!

Perry leaves to mourn in his passing: two devoted sisters, Audrey Alexander and Suzette Fedd; brother, Michael Alexander; five children Keyona Alexander, Perry Pierre Alexander, Donte Washington, CJ Washington, Kendra Washington; ten grandchildren, GaKiya, Makayla, Harmani, Donte Jr., Robert Jr., Lionel, Richard Jr., Dayvon, Heaven and Allen; three goddaughters, Jasmine, Cece and Jazlyn; and a host of other relatives and friends.

“ I graduated from UMBC 10 years ago, and last night I had a dream that I was sitting at the library front desk, in the evening, chatting with Perry. I worked as a student at the library for all 4 years of my education, and spent many evenings sitting and chatting with him. Those evenings helped me through some difficult times in my life. I am saddened to find out about his passing. He was truly a kind and intelligent person. On my last day of work, he walked up to me, shook my hand, and said, "Son, it's been a pleasure," and I said "Thank you Perry, I'll miss our conversations." I told him that I'd stop by and visit again sometime. Unfortunately I never had the opportunity, and time seems to get away. So I'll say here - Perry, it was a pleasure to be able to call you a friend. And I greatly appreciated those late evening conversations. Rest in peace. My condolences to his family and friends.

“ I was looking up some of my UMBC colleagues when I came across this. My sincerest sympathies to his family and loved ones. I think Perry was one of the nicest people I have ever met. He had a way of making everyone feel welcome and his smile lit up the room. I admired and respected him. Rest in peace my friend.

“ Well, my love! A new year, and the pain is still so strong and painful for me. I hope you are looking down watching me fulfill your dreams of fixing your house! I have so many more things to do as far as your house goes, but it's going to be done, you use to tell me about Skip and Lee sitting on the clouds, causing you problems driving ,now my love you are there with them, so many, many times I catch myself crying wishing you were here to share this part of my life and journey with me, I still have the last New Year message you sent me and I listened to it a thousand times or more, I miss you with every inch of my being, and I will love you Always and Forever!

My prayers are with your family. Knowing your brother was a true honor- he was a testament of kindness and integrity for the Lord he loved so dearly. May his beloved family find consolation that Perry indeed ran the race and impacted the lives of countless people. Well done, Perry. Rest in peace.

“ *I was thinking about Perry today, just out of the blue his wonderful spirit hit me. I had not seen Perry for probably 20 years when I worked with him at the UMBC Library. I decided to look him up, and found this- I am so sad to have not reconnected with him. Perry was my "boss", as I worked under him in the evening shift. But he was like no boss I had ever had. He was a pure joy to work for, to work beside, share stories, and just made going to work a real joy. He always looked out for me, helped me learn, and made an incredible impact on me. In fact, when I got another job, I felt homesick because I didn't have Perry around with me. I send his family, and others who were close to him my prayers. Thanks Perry for your service, and I know he was an incredible father, because he always talked about his kids.*
