“ *I am sorry to learn of the death of Peyton. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ *Hello ! Kierr's ! I would love to express my heart felt feeling for the loss of your baby. It really hurt to loss any one however a new born baby. The future of our younger people is found in the bible at Ecc.12:1. We can lofk forward to the time when no one will ever die at all, something to think about, Rev.21:3-5. The resurrection time is near for our love ones. May time help to heal the pain and sorrow that death brings.Our heavenly father is the great God of all COMFORT.##imported-begin##lillian Crosby##imported-end##*
