“ *Hey Daddy,
Its me Dionne it wouldn't be fair that I talked to mom and didn't talk to you. I miss you so much and I think about you all the time. Peachie is now with you and mom, help me to stay strong for T. K and do what needs to be done. Our family is almost all gone and it breaks my heart. Please Watch over Sierra I am so afraid that I will have to bury her one day. I can't even imagine having to go through that. I don't think she understands the fear I have for her and how much I love her and my babies. Chris needs comfort right now dad and I don't know how to make him feel better because he shuts himself off. So I just leave him alone and let him get through it on his own but let him know I am here for him and I love him. Well dad I love you so much and miss your sense of humor. Kisses and rest love your daughter.*

“ *Dear family,
I am so sorry about your loss. I know this is a difficult time for you. I wanted to give you some comfort from the Bible. A lot of people want to know if there is any hope for their dead loved ones. The Bible teaches us that most people who have died will be resurrected. Jesus promised us in John 5:28,29*
