

## Portia Lavon Ebron

April 3, 1955 - February 5, 2024

Portia Lavon Ebron was born on April 3, 1953 in Robersonville, N.C. to the late Steve and Alice Ebron. She departed this life on February 5, 2024 at her home.

Portia attended Western High School where after graduating in 1972 she enrolled in the University of Maryland College Park where she received bachelor's degree in engineering in 1976. Then in a move (many of us didn't understand), Portia continued her education at Catonsville Community College to study the mortuary sciences and earned her associate degree in mortuary science in 1989. She became a licensed Mortician.

Portia worked as a Mortician at March Funeral Home for over 25 years. She started with March when it was operating from a house on North Avenue, and as the company expanded, she transferred to the March East location, then later transferred to the March West location before retiring from the March Funeral Homes.

In 2006 she joined her daughter Towanda in Texas where she found a next career calling in patient registration with HCA Healthcare and became a dedicated member of The Potter's House church.

She was a selfless and giving person known for her calmness in any situation and for the importance she placed on education. Portia was a strong believer

in education which she constantly instilled in her daughter Towanda. Portia would tell her daughter that she knew that she was smart, but with a good education she could achieve much. From the teaching she instilled in her daughter, Towanda now has a Bachelor Degree in Biology and a Master Degree in Data Analytic.

She was preceded in death by her parents Alice and Steven Ebron, her brothers Jimmy and William, and her nephews Terry, Brian and Marcus.

She leaves to cherish her memory: her loving daughter, Towanda; her six sisters, Brenda, Barbara, Shelia, Daphine, Stephanie and Kelly; her three brothers, Samuel, Robert and Craig; two sisters-in-law, Delores and Joanie; and a host of nieces, nephews, great nieces, great nephews and friends. It's an honor to give this final goodbye to our dearly beloved Portia.

“ Portia and I worked together for several years in the same office just the 2 of us and we would just laugh and have no idea what we're laughing about. And then she would start humming and then I would tell her that. Oh I recognized that song , but then she would change the tune on me halfway through . We would talk about both of us growing up in Maryland. We would talk about how we both had daughters and how proud we were of them. I could go on and on about her. I already miss her so much. I will pray for your family. Thank you for letting me share.
