“ *Quia and I have worked together since 2002. She was more than a co worker, she was my friend. We would talk for hours and share stories and just laugh and have a good time together. She was definitely on of a kind and I will miss her soo much!*

“ I was introduced to Quia at work a few years ago and what a joyful experience that has been! Quia always had an interesting story to tell. Always had a smile or made you smile! It was going to be one or the other. Very hard to believe that we won't see her here but will always remember the great times.

“ Quia was a very special lady. I worked with her at TSA for many years and she was one of those who made work fun and she was somebody I loved just being around. She had a fantastic sense of humor and we would always get the other to laugh. I have truly missed her here at work and I now have a hole in my heart where she was. God bless you Quia.
