“ Quinn was a friend. I could rely on him for anything. He supported my mission to help homeless veterans. He sacrificed his time and resources to help. I'll always remember his out bidding all of the guests at my 1st jazz brunch fundraiser. And winning the crab feast raffle because he purchased the most raffles. He had a heart of gold and I'm fortunate to have known him. I'm sorry for your loss and will miss him more than words can express.
