“ Quinton I haven't seen you in a while, and when I found out that I would never be able to see you again my heart fell out of my chest. I will miss you more than you'll ever know. You were my first love and no one could ever take your place in my heart. I love you and always will. You were the guy who always had something smart to say no matter what. I am going to miss your smile, laugh and your voice. I know that you are in a better place. Your in God's hands now. My deepest sympathy goes out to your family.##imported-begin##Special Friend##imported-end##

“ Q-Dad was a wonderful person, when you were down he's the type to lift you up. When ever I needed something he said I could come to him. Q-Dad was such a bundle of joy. I was always praying for his safety, but I know he's with God watching over us. I Love You Q-Dad or should I say Big Bro.##imported-begin##Lil Sis (Briona)##imported-end##

“ Happy 24th Bday first and foremost. Although I wish we could be celebrating together again, Im happy just thinking of the memories from before. You live on in spirit and I will always carry you in my heart. No one will ever change what we shared and you know I will never forget about you. It has been rough for me but I know this is temporary and Im happy that you are celebrating with the lord. It is selfish to ask for one more day so until we meet again I will be patient for eternity.
