

Quinton D. Miles Sr.

October 23, 1984 - October 7, 2021

Quinton Demond Miles, Sr. was born on October 23, 1984, in Richmond, Virginia to Thomas Miles, Sr., and Queen Miles. He went home to be with the Lord on Thursday, October 7, 2021, at the Virginia Commonwealth University Medical Center, surrounded by his devoted wife Melissa, other family members, and VCU staff.

Quinton was the second of the three Miles children born to his parents and enjoyed his status as the middle child. He graduated from Huguenot High School in Richmond where he played the saxophone in the popular Huguenot Marching Band. He continued his studies at J. Sargeant Reynolds Community College for two years. After completing studies at Reynolds, Quinton furthered his education at Old Dominion University of Norfolk, Virginia earning a Bachelor's degree in Business Management with a minor in Computer Science.

He was a dedicated employee for K-Line America for years and later transferred to Owens and Minor, where he held a position as a Transportation Planner.

At an early age, he came to know Christ and was baptized at the St. John's United Holy Church. Having grown up in the church, Quinton was deeply committed to his faith and became a very active disciple, serving as an usher,

a member of the new member orientation committee, church drummer, a member of VISION Young Adult Choir, a Sunday School Teacher, a member of the Security Team and Tech Team, and most recently serviced on the Deacons' Ministry. Quinton even performed in many plays produced by the Wright Penn Company. He exceeded in everything that he committed to without complaint.

Though reserved and serious-minded, Quinton had an awesome sense of humor and loved to laugh. In many ways, he was a role model for his generation. Persons who knew him would find he had a great listening ear and could easily confide in him. He was always ready to accommodate anyone in any situation. Quinton was known to apply his analytical skills in most situations, so others knew not to expect any quick or careless responses from him. If anything didn't make sense to him he would definitely verbalize it. Quinton loved spending time with family every chance he could, whether it was near or far. He was a dedicated father and loved his children, never missing a moment with them. Quinton and his children would have a saying when they parted ways, "Bye, love you, love you too, bye, good night". Quinton was a fighter, never giving up easily on anything he faced.

Quinton married the love of his life, Melissa Shearin in September of 2009 and they shared twelve beautiful years with each other. Together, they strived to be a model of marriage and loving cooperation to many young adults. Melissa was at Quinton's side and attentively cared and advocated for him during his time in the hospital.

He leaves to cherish his memory: wife, Melissa; daughters, Jayla, Ayva and Alivia; son, Quinton Jr. "QJ"; parents, Deacon Thomas and Mother Queen Miles; three siblings, Katrina, Thomas Jr. (Jamie), and Candace; father and mother-in-law, Elder Marion Shearin and Sis. Brenda Shearin; brother-in-law, Jason (Terror); godmother, Bernice Shepperson; godchild, Brenden Jones; a

nephew he treated like a son, Corwin Porter; and an array of aunts, uncles, nieces, nephews, cousins, lifetime friends, and others who loved him as a son. Quinton will be greatly missed, but his legacy of leadership and friendship will forever be treasured by all of his colleagues, family members, and the St. John's United Holy Church family.

To Quinton, from your children — Bye, love you, love you too, bye, goodnight.

“ I had the pleasure of working with Quinton several years ago when we were both on the Operations Team at Owens & Minor. He was such a nice guy. Always had a smile on his face and was always fun to talk with. I remember when the twins were born and how excited he was about that. My heart is broken for his family and friends. Rest in Peace Quinton and thank you for being a great friend to so many.

“ I was in the Marching Band with Quinton in high school. He was always a funny character and always showed everyone that same respect. The Miles family always welcomed everyone, especially to church, You will be missed man, for sure! You hung in there, but now it is time to take your rest. Marvin DeWitt, Jr. - Huguenot c/o 01”

“ Quinton was a dear friend since the day we met in 10th grade PE class. I was new to Huguenot and will never forget walking into a group of new faces and seeing his smile. We've had such great times and memories. From learning how to drive, hanging around the neighborhood, prom and taco bell lol it could go on. He loved his family so much, I am so honored and thankful that not only did I see you become such a loving husband and father but an extraordinary man. Quinton Miles, you are one of a kind. Thank you to the Miles family for always being so open and loving. From myself and my family sending love, peace and strength during this difficult time.

“ My condolences to Melissa & The Miles Family. Q, thank you for being my Best Male Friend Brother/Confidant. Words cannot express how I feel. I'm so grateful to God that our paths crossed while working at K-Line. Every time we talked the first thing you would ask me. When are you moving back to VA? And, I would laugh. I didn't realize when we texted on Sept 2nd that would be the last time. You were an amazing Friend. You will be missed Man of God but never forgotten!! Melissa, May God continue to comfort, strengthen and uplift you and the family daily. John 14:1-6; 2 Corinthians 12:9 🙏👼😭

“ I had the pleasure of meeting the Miles
Family when I started high school. Anyone
who knows them know they are a loving
family, and even now through the years I still
consider them family. Quinton was like a
brother to me. He was always showing that signature smile of his,
always supportive, and just a positive person to be around. The last
time I saw him was at Christmas Service at his church. He was
playing the drums and I couldn't tell if it was him or his brother
(since they look so much alike now that they are older). After
service I shared that with him and we just laughed. We lost a true
angel, and to the Miles Family I am so sorry you all are going
through this. To Melissa and his children, hang on to all those
precious memories. Quinton loved you and he will continue to live
through you.

“ *Quinton and I met the summer going into high school at band camp only to find we would share a homeroom for the next 4 years. He was a friend who became a brother/protector! He was truly a special persons. So many memories but one in particular. One morning 9th grade year we both wrote our names on a price of paper and promised to have it when we walked for graduation (never thought it would happen). 4 years later when we walked we both held that paper in our hands as we walked! I still have that video and will always carry that with me. My prayers go out to the family during this difficult time. I pray God strengthen you all during this time.*
