“ I am very sorry to learn about the death of Franklin. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##

“ I wish to express my deepest sympathy to the family of Mr. Dugan. When someone we love dies many questions go unanswered. God's inspired word the bible helps us to find those answers. Romans 5:12 explains why we grow old and die. Ecclesiastes 9:5 explains the condition of the dead. The wonderful resurrection hope is found at Revelation 21:3,4 and also John 5:28,29. May your family find a great source of comfort and encouragement from these words.##imported-begin##Kashawn Smith##imported-end##

“ Carol, I knew your father from my office. He was such a gentelman, he will be missed by all who were blessed by his friendship.##imported-begin##Charles Horan DDS##imported-end##

“ Please accept my condolences for the loss of your loved one. The Bible gives us the encouraging hope of the resurrection. (Acts 24:15) Many will return to life with no more death, sickness, sorrow or pain. (See Isaiah 65:17, Revelation 21:3-5, Psalm 37:29) May you receive much comfort and strength as you think on these loving promises from the Bible. And may you draw close to the maker of them Jehovah God and his son Jesus Christ. (John 17:3)##imported-begin##Sharon Hill##imported-end##
