“ *I am sorry to learn about the death of Ralph. This must have been a difficult time for all of you. I'm forwarding scripture that will comfort you. Psalms 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrews 9:27 says..It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT Nunnally##imported-end##*

“ Please accept my heartfelt condolences for your recent loss. Death is truly hard for a family to cope with. You have my deepest sympathy. One day violence, sickness, and death will be completely done away with. Jehovah God never intended for us to die. That is why he makes this promise found at Rev 21:4. "And he will wipe out every tear from their eyes, and death will be no more neither will mourning nor outcry nor pain be anymore. "The former things have passed away." May the bible be a great source of comfort to you in the days ahead, and may your wonderful memories of Ralph help you to go on.##imported-begin##R Johnson##imported-end##

“ Children who die are not really gone,But go to a place that is something like home, Where they sleep the deep sleep, as quiet as stone, Until we can join them when our lives are done. Children who die are not really dead, But just like good children tucked in bed,Wait the long wait while we go ahead Till our tales are all told and our tears are all shed. Children who die feel no pleasure or pain,In the place where they wait till they see us again,And all of us dance in a world washed with rain,Where the sun shines so bightly no sorrows remain. We love you little Ralph and will miss you dearly.##imported-begin##Ron Gair and Sandy Lee##imported-end##
