“ I love you dad even though we never got to meet today is your birthday and I'm 21 now. I always wondered how it would feel to send you a text message or even a phone call but it's no worries cause I know Allah has a bigger plan for me. I love you and thank you for guiding me through life spiritually and mentally. I guess I couldn't have you physically because things physical tend to break, fold, or be fake. You was none of them. And I know that because I'm You. I love you dad. Kiran ❤️

“ Please accept my condolences for the loss of your loved one. First Corinthians 15:26 tells us that our "enemy death" will be "destroyed". Many will return to life with no more death, sickness, sorrow or pain. (Acts 24:15, Revelation 21:3-5, Isaiah 33:24) May you receive much comfort and strength when you think about these promises from the Bible. And may you draw closer to the maker of them, Jehovah God and his Son Jesus Christ.##imported-begin##Sharon Hill##imported-end##

“ To the family of Rami, I offer my sincere and heartfelt condolences for your loss. He had a beautiful smile, and I know your hearts are grieving over losing your precious child. Death is truly heartbreaking to us all, and is so difficult to cope with. I know, because I lost my only son at age 29. What comforts me is the wonderful hope of the resurrection, which the bible indicates will shortly take place on this earth. Jesus demonstrated this when he was on earth by ressurecting many from the dead; including a 12-year old girl, and also a young man died whose mother was a widow. At Luke 7: 11-15 it tells us how Jesus raised up this young man from the dead. Jesus had traveled to a city called Nain. As he neared the city there was a dead man being carried out, the only-begotten son of his mother. verse 13 says, "And when the Lord caught sight of her, he was moved with pity for her. With that he approaced the bier, and the bearers stood still, and he said: "Young man I say to you, "Get Up! "And the dead man sat up and started to speak, and he gave him to his mother." Family, can you imagine how that mother must have felt to have her son alive again. One day, that will be our joy as well. I would like to share more with you concerning the biblical hope of the ressurection. Please contact me. May you find comfort in his promises.##imported-begin##R Johnson##imported-end##
