

Rani Rekhi

January 3, 1950 - January 2, 2021

Dear Family & Friends,

It is with profound sadness and broken hearts that we share the loss of our dearest and beloved Sardarni Rani Kaur Rekhi, a devoted wife, incredible mother, loving grandmother, wonderful sister, and simply put just an incredible human being. She passed away peacefully due to pneumonia complications as she valiantly battled Leukemia over the last year. She was surrounded at home by family at the time of her passing, as she had wished. She fought with utmost grace and determination no matter the obstacle or challenge thrown her way. She lived her life in the true spirit of “Chardi Kala” despite being given difficult diagnoses for so many years. She will be remembered for her humility, love of life, love of Sikhi, dedication to family, positive attitude, internal strength and willpower, and acceptance of “Waheguru’s Will”.

She leaves behind her devoted husband of almost 50 years, S. Inderjit Singh Rekhi, and her loving children Kanwaljit S. Rekhi and Supreet K. Dhani, Karishma K. Rekhi, and Sartaj S. Dhani. She also leaves behind the four reasons that made her fight for each day - her adored grandchildren, Yuvraj, Noor, Khaliss, and Shabaig. They were her light and she was theirs. Her very large, loving family is devastated by this huge void that she has left, including her sister and constant companion Gulshan K. Rekhi, her two older sisters in India, and their loving families.

“ *Our prayers and thoughts are with the Rekhi family at this moment of the passing away of the our dear friend, Rani ji. We were welcomed to the Rekhi home for several dinners where we were surrounded by her genuine warmth, generosity and positivity. Her faith was the pillar of her strength and her family her source of constant support.*

Let us all celebrate Rani ji's life and be inspired by her self effacing and altruistic nature. She will be sadly missed by all of us.
