"Remember A Beautiful Man"

As you stand looking at me, please try not to cry,
For as long as I am remembered, I'll never die.
I know this sounds hard, but it's like opening a book,
I will be all around if you know where to look.

When you stand in the yard watching birds flying high,
Just smile and wave, it might be me passing by.
As sunlight and moonlight glitter like diamonds on fresh
fallen snow, Those will be my thoughts of love and devotion
Setting the field all aglow.

And if you see a rainbow, no matter how bright or faint,
Think of me then, it could be me just learning to paint.
I know there will be my daughter I won't pat on the head,
Be sure to tell her about Daddy while you tuck her in bed.

Love will hold us together, we shouldn't be sad,
I will be in your thoughts often, that won't be so bad.
When something causes you to wonder,

Or any beauty in the world you can see,
Take a moment to pause and remember
that a small part of it is me.

“ *To the Mayo family, my heart is broken right now to know you are experiencing such great pain right now. I heard a voice say speak comfort to the heart because it never stops loving, but the soul moves on. Ra'Quan will always be in your hearts and memory, he just had to move on. No one knows your hurt, but God and he has the power to heal that pain. My condolences goes to my family, and I will continue to pray for strength and understanding. I Love y'all.
