“ To the family, God-Bless you and keep you! Ray Hood, I will always look up to you Bro, we go back to elementary school and mane, what a time we had at Henderson running it up. You, and Ray-Ray will always be my Big Brothers! I remember you were 6' in the 6th grade and could play it all, and do it all! Life took us on different paths but we connected at one of your son's football games and I saw you all in him! You will always be (That Dude)
Love you Bro!

“ *Our thoughts and prayers extend to all of you who are faced with the displeasure of losing a loved one to our worst enemy called Death, in these critical situations it's normal to feel helpless not knowing where to turn. However, our heavenly creator has assured us in HEB: 6/11 that it is impossible for him to ever forget us, He also stated in John:5/28/29 that all those in the memorial tombs will here is voice and come out, So GOD is given us all his promise of hope of us being together once again. Meanwhile we can give our thanks to the March funeral directors: for their perfectional assistance and their heartfelt concern toward the unfortunate friends and families. THANKS!*

“ My condolences to your family my friend we grew up in HP together he lived on 2nd Avenue when I first met Ray. He lived right behind me across the alley. We used go to his house to eat the honeysuckle and berries off the vines. When we played hide and seek his yard was a good place to hide. We had a lot of good times growing up and we still remained friends in our adult years. I will always have my memories until we meet again friend. RIP RAY HP LEGEND
