“ You sipped away from us, without saying goodbye. Every time you ended our phone calls, saying “I love you.” The only tangible evidence, I have left, your name and number in my contact list. Oh! I wish I could hear your voice again, saying “Goodbye, I love you cousin.”

“ *It still seem surreal that you are gone & oh how you will be greatly missed! I remember the times when your grandma, my mother, was raising you & by me being the youngest child at that time, I always thought that you took my place & affection from mom, but we finally got it together & became close like brother and sister. There always will be a place in MY heart just for you.*

“ Extending my heartfelt condolences to the family of my classmate. Ray was truly a nice, full of life, fun friend. I feel very blessed to have seen him at our 46th class reunion 5 yrs. ago. He was looking well and being Ray that I remembered from high school. I had not seen him in about 30 yrs. I am so sorry to hear about his demise and pray you all find peace, comfort and strength in your loving memories of joyful times spent together.

Sincerely,
Sheila Hawkins Ellis (DHS class of 74)

“ Sending my condolences to my family. Praying for your strength. This one was a shocker! Cuz, you will definitely be missed. We've had some fun times. I'll never forget when you and I rode from daddy's birthday dinner in the Benz with top dropped and you told me, punch it cuz. I think I hit over 100mph! Whenever we had something going on you were always there and full of life! The visits to Atlanta you shared with us will always be remembered.
