“ *Dexter, you were always a friend to me when I needed one. We had many good times together. If I searched the whole world through I couldn't have found a better friend who had my back. From day one when I met you, you said you would always be there if I needed a friend and you fulfilled that promise. Your Heavenly Father called you home because he knew you were in a lot of pain and now you are finally at peace. Rest in peace my friend. Greatly missed by all whom lives you touched in your special way. Although you are no longer physically a part of this world you will always be a part of my life.*

Dexter, I thank God for your life, your faith, your walk, your support & the love you shared, not only with my mother all these years but her family too. You were a true blessing! 😊

Thanks for all the jokes, laughs, "pep" talks & words of wisdom. I appreciate you living out your faith in your actions & in your words. You will truly be missed as a "father figure" in my life. You always kept it 100 percent and you treated my mom like the queen you said she was. May your legacy live on thru Princess and the grandkids.

To God be the glory for the impact you made on my life & others too. I love you ❤️ & I wish we had more time together 😭. I will cherish the memories....til we meet again. Love, -CeeCee
