“ *Many condolences to the family for your loss. When death impacts a family many people wonder, why my loved one? It's truly like an unreality. Sickness and death has plagued mankind since the days of Adam, but it will not always be. Death is not a natural part of life as people think, because God created mankind to live, not to die. This was definitely not his purpose. Death was introduced into the world by the sin of Adam and Eve. Has God's purpose changed? No it has not. His purpose is for people to have everlasting life in peaceful conditions. Psalm 37:10,11. As 1st Cor 15:22 tells us, "For just as in Adam all are dying, so also in the Christ all will be made alive." Jehovah's purpose will be fulfilled, because his word never fails. As Isaiah 55,11 says "It will not return to him without results, but will have certain success in that for which he sends it. May you be comforted.##imported-begin##R Johnson##imported-end##*
