“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ My deepest and most heartfelt condolences to the family on the recent death of your loved one, Sadly, sickness continues to stalk us, and although doctors have made many breakthroughs in medicine, they could never put an end to our enemy death, which causes so much pain in our lives. But our heavenly father has the power to end sickness and death, and he promises to do so in the near future. 1st Cor 15:26 tells us, "As the last enemy, death will be brought to nothing." Also one day we will be reunited with our dear ones again. John 5:28,29 says, "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." Yes Jehovah God has power over life and death, and it is his desire for people to live forever in peaceful surroundings. Imagine a world free of violence, pain and sorrow. One day, if we are faithful, we will see that beautiful time become a reality.##imported-begin##R Johnaon##imported-end##
