“ *Please accept my sincere sympathy for your loss. Despite this painful time, you can be comforted by the Christian hope of the resurrection. Jesus promises at John 5:28,29: "Do not marvel at this but the hour is coming in which all those in the memorial tombs will hear his voice and come out." By means of the shed blood of Jesus Christ, we have the real hope of seeing our dead loved ones again. Jehovah truly blessed mankind when he provided his dear Son, Jesus Christ, as a ransom sacrifice. His Kingdom will be the source of many blessings, one of which will be the resurrection of the dead.##imported-begin##A. Robinson##imported-end##*

“ I am sorry to learn about the death of Richard. I'm sure that this must have been a difficult time for all of you. I am forwarding scripture that will comfort you. Psalm 90:10 says that the usual human life span is 70 or 80 years. This was true when Moses wrote it but not so from the beginning. (compare Genesis 5:3-32.) Hebrew 9:27 says...It is reserved for men to die once for all time. This, too, was true when it was written but not the case before God passed judgement on sinful Adam.##imported-begin##JT
