

## Robbin Patrice Jameson-Green

November 30, 1970 - February 4, 2009

Robbin Patrice Jameson-Green, 38, entered into eternal rest on Wednesday, February 4, 2009 after her battle with Breast Cancer. She was born on November 30, 1970 in Red Bank, New Jersey to Robert Jameson, Sr. and Linda Jameson. She received formal education in New Jersey Public Schools and accepted the Lord as her Savior at an early age. Robbin was joined in holy matrimony to Kyle Douglas Green on May 18, 1996 and from this union two beautiful sons were born, Devon and Christopher. Robbin was a faithful member of Saint Paul's Baptist Church and briefly shared her gift of praise with the Women's Choir. Robbin earned her Bachelor of Science degree in Elementary Education from Virginia State University and was a second grade teacher at Jacob L. Adams Elementary School in Richmond, Va. Prior to her teaching profession, Robbin was in the field of nursing, with aspirations of becoming a RN. During that time, she took time off to spend with her children and enjoyed volunteering in her son Devon's classroom. One day while volunteering, Devon's teacher told her that her "gift" was working with children, and asked her to consider teaching as a profession..and thus, her teaching career began. Shortly after, she began working as an instructional tutor at Adams Elementary while simultaneously pursuing her degree in Elementary Education. Again, her skills were noted and she was afforded various opportunities to work with students, plan awesome lessons, teach classes..and the "Adams Crew" simply fell in love with her. Robbin was no just a teacher, but a motivator, and one who taught students

with more passion and skill than one could muster. Her success was confirmed when she earned the 2006 First Year Teacher of the Year Award. Robbin also enjoyed traveling. She was blessed to see beautiful places such as Hawaii, Aruba, Las Vegas, Mexico, and numerous Caribbean Islands. When she could get to the "water", it calmed her spirit and took her away from anything that lacked meaning. It lifted her, especially sharing those vacations with her loving husband, Kyle. Being a "mom" was special to her, not only to her two precious sons, but to every child (and many adults) who crossed her path. People loved to be in her presence. Robbin fought her hardest battle, but she pressed on like the champion she was as she tackled each trail with style, grace, and dignity. .and determined not to give in or give up. She was a loving wife, nurturing mother, darling daughter, special sister, supportive friend, dedicated teacher, God-fearing woman, dazzling diva, lady of distinction, perfectionist, awesome cook, peace keeper, interior decorator, philanthropist, team player, adventurer, traveler, thrill seeker, merchant of hope, optimist. .and the list goes on and on and on. Robbin is survived by Kyle, her faithful husband of almost thirteen years; two sons, Devon Alexander and Christopher Jordan; parents, Robert Jameson, Sr. (Doris) and Linda Jameson; brother, Robert Jameson, Jr. (Lisa); grandmother, Josephine Johns; uncle, Alfred Anderson; aunt, Esther Williams; God-sister, Lesley Jones; father and mother-in-law, Fred and Susie Green; brother-in-law, Boyce Green (Charlayne); nephews, Keon and Kodi; nieces, Kala, Tabatha, Isabella, Mariah, and Kaylani; and a host of other relatives and devoted friends.

“ *My heart and prayers go out to the family. Family members love one another and I am so sad that I did not have the opportunity to say hello to Robbin before she left for the place of eternal peace. However, I know that we will all reunite again in another day and time to show love and peace. Love, Kimberly Renee Mackason##imported-begin##Kimberly Mackason##imported-end##*

“ To the Green Family, words can not express our heart felt sympathy that goes out to your family. Mrs. Green taught our son Emanuel two years ago in the second grade at Jacob Adams. When asked if the work that she has done would be able to speak for her? We would have to say "YES". Please know that she was sincere in her teaching, loving and compassion for her students. She truly has been a blessing to our family and we will always remember her yearning desire that all of her students do well and her pleasant smile. A God sent Angel is how we will remember her. Our family will keep your family in our thoughts and prayers. Remember that God Cares and that he is a Comforter. “ Dear Jamerson and Green Families, I am so saddened by the loss of such a beautiful woman and am likewise too saddened by the fact that I did not reconnect with Robbin as an adult. However, it does not change what is on my heart. May you find peace and comfort during these times and rest on the fact that her suffering is no longer and she is with our Heavenly Father. If nothing else, Robbin and her legacy has taught me to not take life and loved ones for granted and to treat every day as a gift. All my Love, Marlene Mackason###imported-begin##Marlene Mackason###imported-end##

“ Dear Family, It was a honor and a pleasure to know Robbin. I will always remember her beautiful smile - she was always so friendly and you could truly feel the love she had flowing from her towards others. I respected Robbin and the way she carried herself and admired how she openly expressed her love of her heavenly father and how she lived her life for him. She will be missed here on earth but I know that heaven is having a hugh welcoming party right now as Robbin walks through those doors! It was a pleasure working with Kyle and Robbin as they built their dream home here on earth but I am so happy for her that she is now in her eternal home.###imported-begin##Jeri Clark###imported-end##

“ Dear Family, My sincere condolences goes out to you. The Bible makes it clear that Almighty God Jehovah did not originally intend for humans to die. He created us to live forever. Please take the time to read His promises to restore mankind to His original purpose at John 5:28,29 and Revelation 2:3-5; and have a measure of comfort during this time of bereavement.##imported-begin##V. “ In the short period of time that I knew Robbin, you could feel immediately that she was a special person. The love that emanated from her was obvious and powerful. She loved her husband and her boys, and they were the perfect family. She used an expression that has stayed with me, and reminds me of my short time with her. She would say, “you need to go to your prayer closet.” This would both make me smile and reflect at the same time. Robbin is in her eternal home now, but will always be watching over her family, influencing them and guiding them through her spirit and presence. Kyle you are a special person with much love and strength, and my heart knows that you, Devon & Christopher together will move forward from this moment and will be stronger, knowing that Robbin will always be with you. God Bless.##imported-begin##Jill Kreis##imported-end##

“ I always told my mother that the Green's were my favorite customers out here in Rutland. Why? Because of Robbin, from the first time I met her my first thought was wow what a beautiful woman inside and out. Every time she would come into the Rutland house I couldn't help but get excited. She carried herself with such elegance and grace. There's a feeling you get inside when you know you are in the presence of a truly extraordinary Human being and I got that feeling every time I spoke with her. I can not say enough good things about the Green family, they are such wonderful people. I will never forget the day Robbin and Her mother came into speak with my mother and I. Upon leaving I turned to my mother, Jeri, and told her that the love between Robbin and her mother was so apparent. My thoughts and prayers go out to the Green family. I know Robbin is looking down from Heaven with a big smile on her face. Her Love and good nature is all around. I can't wait for the pool to open! Kids your taking the first lap for you Mother!###imported-begin###Jennifer Clark###imported-end###

“ To The Family and Friends, I would like to convey my sincere condolences for the loss of your dear loved one. God's Kingdom (Mat6:10) will end wars, sickness, famine, even death itself. No more doctors, hospitals, or disease of any kind at all. "No resident will say: 'I am sick.'" (Isaiah33:24) No more funerals, wakes, cemeteries, morgues, or the misery that accompanies them. Death, our relentless enemy, will be vanquished at last. God "will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces."—Isaiah 25:8. Continue to rely on the God of all comfort (2Cor1:3-4) and he will sustain you during this most difficult time (Psalm55:22). Warmest regards, C. Murphy###imported-begin###C. Murphy###imported-end###

“ Dear family, I am so sorry for your grea loss. The bible says the time is coming when no resident will say, I am sick, Isaiah 33:24, because according to Isaiah 25:8, Jehovah will swallow up death forever, and certainly wipe the tears from all faces." According to Daniel 12:2, many that are asleep in the ground of dust will wake up." Jesus said, "I am the ressurection and the life. "everyone exercising faith in me, even though he dies, will come to life. John 11:25 At that time there will be no more need for funeral homes, hospitals, or cemetaries, because this earth will once again be a paradise as God intended it to be. At Isaiah 45:18 he lets us know that he didnt create the earth simply for nothing, but created it to be inhabited, and Psalm 37;11 lets us know that the meek ones will possess the earth, and they will indeed find their exquisite delight in the abundance of peace." May these wonderful promises from Jehovah bring comfort to you, and help you to cope in the days ahead.##imported-begin##R Johnson##imported-end##
