Fondest memories of childhood with Uncle Bob. He was a treasured family member with an inviting hug as he picked you up from off your feet, smile and had kind words. Len, Del & Tim.

“ Uncle Gray as we grew up calling him was the tallest man I knew as a child, he had a very fectionous laugh & a smile as wide as life. His heart was as big as the heavens and his love was always unconditional. All of these characteristics made him our Big Unc. He was my Big Unc who was like a father to me as well. To hear him call me Katie Calhoun always brought a smile from my childhood to the present. If you have had the pleasure of knowing him than you understand what I’m saying. God has called him home & in the arms of Jesus he now rest. Free from pain, singing praises to God. He will be missed by many but not as much as by his wife Aunt Patricia and daughter Cousin/Sister Cheryl. Praying that God continues to give you the strength that you need to heal. I love you both & will always be here for you. Love Diane

“ *My condolences to the family. Uncle Robert was a mentor to many young men growing up and truly was mine. I admired the dad, husband and uncle he was. Many good memories which I personally will cherish forever. The bearhugs like no other will be missed and remembered.. A real man of men and represented the uncle status to the fullest. I will cherish our friendship to eternity..*

“ *Dear Family and Friends,*

There is not much I can say about my Dad that most of you do not already know. He was a devoted husband, who loved my Mom and affectionately called her Honey Bun. He was a caring father who gave me my first box of Valentine Day chocolates and wiped away my tears after my first puppy love heartbreak. Sadly, my Dad is not physically present to wipe away the tears I've shed since his passing. However, I am at peace with this because I know he suffers no more. He is now residing in the Heavenly place the Lord has prepared for him. May a lasting memory everyone has of my Dad be the Big Old Bear (BoB) hugs he gave to us all. When you think of Bob (my Dad's nickname), think of his big old bear hugs!

*My deepest sympathy to my family and friends,
Cheryl*

I can never forget the first time I met him and seen those eyes. I was awestruck. I had the honor of calling him Father in Law for a short time married to Mikey, Mr Bobby was an awesome man and I'll forever love and miss him.
