“ I would like to send fellow feeling to you all. Lossing a dear loved one after almost 94 years hurts. It was wonderful to live for such a very long time as the bible say at Ps.90 :10," Some person will live for 70 years and others 80 years because of speical mightiness".I will be wonderfull when Death is no more, something to think about. In the near future many of our love ones will be resurrected as John5:28. I hope these few thoughts will be uplifting to read. May all the many cherish memories with Mr. Robert help to sustain you all in the journey of life ahead.##imported-begin##lillian Crosby##imported-end##
