*I won't say good bye my dear, the love of my life for 37 years. I'll always have the wonderful memories that we shared. The good times always outwaded anything we've ever had to endure. I'll shed my tears when I remember our years. I may call or even say your name. The love we shared will always be in my heart, even though my life has suddenly changed. We will see each other again in that great by and by. When we all meet Jesus, and we'll sing and shout the victory. So, I'll just say, there is no sickness, toil nor danger in that great land to which you're go. You've gone over to Jordan, you've just gone over to home. So, my dear like you did here on earth, just walk around heaven all day. I love you forever and always.*

*Mr. Robert Lee Towns I want to thank you for loving my mom for 30+ years. You did more for her, than my own father. I truly appreciate your kind heart towards my family. I'll miss your side mouth smile and how I use to make you laugh about mommy. As my grandfather would say: you were a genius without paper or pencil! You spoiled my mom without complaining. I'll miss your quite chuckle when you laugh. You were a protective man, loving and kind to my mom's whole family. Will you be missed? You darn skippy!! With loving, and fond memories always. Pat*
