“ My deepest sympathy during your time of sorrow but know that the God of comfort is with you all during this time of tribulation. (2Corinthian 1:3-4) Due to the many unforeseen occurrences that brings tragedy to our lives Jehovah God promises one day soon Death will be no more (Rev 21:3-4) and his son have been given the authority to bring all those in the memorial tombs back to life. John 5:28-29 Just think there will come a time not only will death be no more but Jehovah promises that no one will have to say I'm sick according to Isaiah 33:24. I feel the need to express these words of hope because so many of us today treasure the gift of life and we do all we can to maintain it to hold on to it. That is why it hurts so badly when our loved ones die. With so many of us desiring life today no matter how good or bad it is we still want life here on earth. No one looks forward to that time of death. That is why I am under obligation by the spirit and love of God to share that hope that is in our near future that the righteous shall inherit the earth and reside upon it forever according to Psalms 37: 29 along with the above stated promises on a paradise and peaceful earth. We all can hold true to this everlasting promise because Isaiah 55:11 states all the words Jehovah have spoken WILL NOT RETURN WITHOUT RESULTS. What a wonderful prospect for our future especially enlight of the fact that Hebrews 6:18 States of God, it is IMPOSSIBLE for him to lie.##imported-begin##Carter##imported-end##

“ Please accept my sincere condolences for your loss. The Bible rightly calls death our "enemy" that same verse also says that "death is to be brought to nothing."(1 Corinthians 15:26) More than that, the Bible offers the hope of our loved ones returning to life. Please note that at Daniel 12:2- "And there will be many of those asleep in the ground of dust who will wake up." May these divinely inspired promises bring you much comfort and strength in the days ahead.##imported-begin##Sharon Hill##imported-end##

“ To Robert, a wonderful man who never hesitated to come to the aid of two wild and crazy girls! Robert was one of the kindest people I have ever met. He took his time to take the two of us wherever we wanted to go and believe me we went everywhere. I remember always seeing him working on his truck as we headed out for the evening. He would shake his head and laugh, not in disappointment in laughter. He knew that we were headed out on the town to get into some kind of trouble. We would laugh and just go on. He always knew that the next morning a funny story would come of our evening out! He never judged people and accepted them for who they were! How could you not love a man like this. He was like an Uncle to me and will always be remembered in my heart and mind! I love his family and his memory will live on forever in my heart! GOD BLESS YOU ROBERT... YOU WILL BE MISSED!##imported-begin##Amy##imported-end##

“ To my dad, I have never known a dad until I met you. I always felt like there Was something missing from my life, the kind of emptiness that Stays with you always, until I met you. I remember your bright smile The first day I laid eyes on you and thought to myself, “Here’s a sweet man.” I never knew that I would be lucky enough to get to know you as I have. I have always felt safe and warm when I was in your presence and you knew How to make me laugh. I enjoyed the times that we spent father and daughter And will cherish them forever. Like you always would say “I’m the man.” And You truly are. I love you dad, and I will never forget how you have changed My life.##imported-begin##Arnetta Whye##imported-end##
