“ I love my sister, I loved my sister, and I will always love my sister. Good times and bad I loved calling her my sister. I was proud of how much she cared for her family and friends and for how she always gave her best. I am relying on the words found at John 5:28,29 May Jehovah remember you, and may you answer his call when the time comes. Till then I will be waiting anxiously anticipating your warm embrace once again. I love you now, I love you forever xoxoxoxo

“ I know you don't know me, but I saw Mr. Lee's obituary; I wanted to send you my condolences.

As humans, we grieve over the death of a loved one; that's normal, because we know Jesus gave way to tears (John 11:35) after the death of his close friend Lazarus. He demonstrated what resurrection will mean for mankind; in John 11:11, 14-44, “Jesus said to his disciples, ‘Lazarus our friend has gone to rest, but I am journeying there to awaken him from sleep.’ Luke 23:43 provides us the hope for paradise here on earth, because Jesus stated, “Truly I tell you today, YOU will be with me in Paradise.” Jesus statement meant that “All the earth will be transformed back into a paradise under the rule of Christ as King!

1 Thessalonians 4:13 Paul instructs us to not be ignorant concerning those who are sleep (in death); This hope Paul mentions is the hope for the restored Paradise on Earth, as Jehovah God had originally created for all of mankind to enjoy.

“ Robin was a dear friend. We met on the campus of Loyola University. She had a kind telephone voice and willing to help. She was a good worker. May the God of Perfect Peace be unto the family. Nothing is 'loss' if you know where it is. God Bless.

“ Robin S. Lee  
I will never ever forget you, our special angel,  
there has never been  
a time when you weren't there for anyone of  
us in times of need. You were  
always the one who tried to make sure that everything went  
smoothly  
when ever the family wanted to get together, you always wanted our  
family  
to be as close to each other as family should be. I love you now and  
I allways will  
hold a special place in my heart for you.

“ Robin, I'm going to miss you so much and words can not express just how much. I'm going to miss your numerous phone calls to me and your uncle Tom just to say hey, I cry everytime I think of you and you will be forever in my heart. I just wish I could hug you right now but I do know to be absent from the body is to be present with the lord so I take comfort in that. All my love Aunt Cynthia....

*Smile Because She Lived*

*You can shed tears that she is gone,  
or you can smile because she lived,  
You can close your eyes and pray that she will come back,  
or you can open your eyes and see all that she has left.*

*Your heart can be empty because you can't see her,  
or you can be full of the love that you shared,  
You can turn your back on tomorrow and live yesterday,  
or you can be happy for tomorrow because of yesterday.  
You can remember her and only that she is gone,  
or you can cherish her memories and let them live on.  
You can cry and close your mind, be empty and turn back,  
or you can do what she would want:  
Smile, open your eyes, love and go on.*

*In Loving Memory of our Daughter  
We cherish the moment you came into our lives.
