“ *When I did not hear from you any longer, I realized that you did not reach out because you could not reach out. But today I am just getting confirmation. You were a beautiful soul and I am blessed that our paths were able to cross. May you continue to Rest In Paradise my friend.*

“ *" I have run the race, I have stayed the course, I have fought the good fight." Dewayne, you certainly did. You were so much more than just a colleague. The world has lost a deeply kind, generous and joyful man. We can all honor him by living that same way. Feed the stranger, clothe the naked, visit the sick and imprisoned. Radical hospitality! And happy 22nd anniversary!*
