“ My dearest Rodrick, hearing about your death broke my heart into a million pieces. I truly miss you and all of our time together. Your sense of humor, your laugh, your love of music, made you the awesome person I enjoyed being around. I remember the times you clowned around with our other cousins and played pranks on each other, and other folks. Those are the times of our childhood I valued the most. I will always hold a special place in my heart for you. I love you more than you had ever known. Rest peacefully my dear cousin. You are truly missed.
